Collect 2 Avios for every €1 you spend with Maggiore

As an Avios member, you can enjoy all the advantages of Maggiore car rental and collect Avios while you travel.

For every Euro you spend on a Maggiore car rental, you'll collect two Avios. You will collect a minimum of 500 Avios per rental.

Terms & Conditions

1. In order to participate in the "2 Avios for every Euro spent" programme and all the other Avios programmes, rentals must include the British Airways Executive Club card number of the person indicated as the main driver (the "Client"). The British Airways Club card number must be quoted when booking and the card shown when picking up the car.
2. Rentals made with Maggiore corporate rates or other Discount Codes (MCD) are not valid for collecting Avios.
3. Chauffeur Drive, van rentals, travel industry staff rates including British Airways, Avios and Maggiore employee programmes, replacement/insurance rates, selected association programmes, net rate programmes and rentals booked with online travel agents, brokers and price comparison sites do not qualify for Avios.
4. Avios can be collected on a Maggiore car rental even without a flight. It may take up to 8 weeks from the rental date to credit your British Airways Executive Club account with the points collected. All Avios are subject to the Avios Travel Rewards Programme Terms & Conditions. The Client must meet Maggiore's age, driver qualification and credit approval requirements.
5. Maggiore will apply the "2 Avios for every Euro spent" programme to all qualifying rentals. If the rental is not paid in Euros, the amount will be converted into Euros at the exchange rate applicable on the rental start date (the date when the car is picked up from the rental agency). The final amount used to calculate Avios shall not include any expenses for damages (expenses for actual damage or damage liability), or tax.
6. If the final rental amount is modified in any way (e.g. refund from Maggiore Customer Services), the corresponding increases or decreases will be applied to the British Airways Executive Club members account, including the Avios collected.
