

With Maggiore, returning home is affordable.

Rome, 17 September 2012 – Unfortunately, the time has come to return to the city after the holidays. However, if you spent your holidays in the beautiful southern regions of Italy, you can take advantage of the Maggiore OneWay promotion, dedicated to those who have to travel from Calabria or Sicily to Central or Northern Italy. It is a particularly convenient deal and has all the quality of a Maggiore rental, with unlimited mileage and taxes included, starting from 9.90 euro per day.
